About ANITS

Anil Neerukonda Institute of Technology and Sciences (ANITS) is an autonomous engineering institution that focuses on academic excellence, innovation and practical learning.

The college provides *modern laboratories*, industry-oriented curriculum, experienced faculty members and encourages students to participate in research, coding competitions and technical events.

Mathematical Formula : $x^2 + y^2$

Chemical Formula : H_2SO_4

Departments

Academic Departments

1. Computer Science & Engineering
2. Artificial Intelligence & Machine Learning
3. Electronics & Communication Engineering
4. Electrical Engineering
5. Mechanical Engineering

Campus Facilities

- Digital Library
- Innovation Centre
- Research Labs
- Placement Cell
- Indoor Sports Complex

Did You Know?

HTML5 introduced semantic elements like header, nav, section, article and footer, making webpages easier for browsers, search engines and screen readers to understand.
